

**Notice to Union Health Center Patients on
Valsartan Medication**

July 18, 2018

Your doctors and the staff at Union Health Center are aware of the recent problem with an impurity in some brands of the medication, Valsartan. There is no immediate danger, so you should continue taking your medication as prescribed.

Valsartan is made by several drug companies and only your pharmacy will know which company the medication came from.

- 1) First call your pharmacy and if it is a brand of Valsartan that has been recalled, your pharmacist will try to find you a replacement.
- 2) If your pharmacy is unable to find a replacement for you, your doctor and the Union Health Center staff will help you.

Call us at (212) 924-2510 or contact us through our patient portal.
